

**Missouri Department of Health and Senior Services  
Dunklin County Health Department Recommendations**

**May 4, 2020 – May 31, 2020**

**Precautionary Measures/Guidance  
Show Me Strong Recovery Plan Phase I**

- 25% Occupancy
- Facemask required, gloves recommended when preparing and serving food.
- No more than 10 people at a single table.
- No buffet or self-serve bars.
- Disposable items to be utilized include salt, pepper, condiments and menus.
- Disinfect tables, countertops and door handles between customers.
- Every person/business shall abide by social distancing requirements of 6ft between individuals.
- When performing job duties that require contact closer than 6ft, it is recommended to take enhanced precautionary measures. (Masks) example: salons and barber shops.
- The Dunklin County Health Department still encourages the use of drive through and curbside services for restaurants throughout the duration of this order.
- Discourage hand shaking
